Increasing Productivity Through Innovation[™]

UNLEASHING THE POWER OF SPECIALTY CHEMICALS

**INNOVATIVE SOLUTIONS
FOR DIVERSE INDUSTRIES**

DIE CAST LUBRICANTS

FORGING LUBRICANTS

FOUNDRY CHEMICALS

HYDRAULIC FLUIDS

Rahul & Rohit Ramchandani

Directors | Lubrikote Specialities Pvt. Ltd

ABOUT US

LUBRIKOTE has created a name that works towards providing value to our customers by focusing on manufacturing products based on innovation and technological advancements.

EXPERIENCE

The industry knows us through products supplied to the die casting, forging, and foundry industry. Lubrikote products are accepted worldwide as the standard within the industry. Generation after generation as our engineering becomes more sophisticated and our products evolve, we repeatedly deliver creative and competitive solutions.

CUSTOMER FOCUS

We look at each collaboration as a long-lasting partnership with a focus on increasing your efficiency and output - when you grow, we grow. We address your needs with an insider's understanding and the expertise to develop cost-effective solutions.

**ESTABLISHED
IN 1975**

**WORK FORCE
100+**

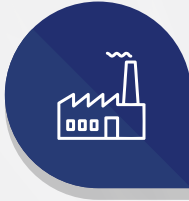

**GLOBAL COVERAGE
10 COUNTRIES**

MILESTONES

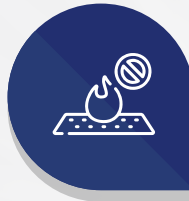

1975

Foundation of Lubrikote Specialities Pvt Ltd was led by Mr. Kishore Ramchandani in Mumbai, India.

1985

Moved manufacturing to Silvassa U.T Dadra Nagar Havelli to produce Water-based Release agents and coatings for the High Pressure Die Casting Industry.

2000

Started to produce Fire resistant hydraulic fluid for Steel Authority of India and ordinance factories. Achieved National Test House Certification.

2005

Started production of release agents and coatings in Thailand.

2006

Started exporting products to Southeast Asia.

2007

Production of water based forging lubricants for the forging industry.

2013

Set up a new plant to produce Granular Fluxes and Foundry Coatings.

2016

Expansion of export distribution to South Africa, Turkey, Indonesia, and Taiwan.

2018

Introduction of ECO-FRIENDLY products such as water-based plunger lubricants and dry plunger bead lubrication.

2021

Introduced Friction Lubes and Specialty products for Spine Casting.

2022

Developed Bio-degradable products through joint research with university.

TOWARDS OUR FUTURE

- ◆ Diversification into manufacturing of Polyurethane lubricants
- ◆ Increase of manufacturing capacity
- ◆ Expansion of global distribution footprint

INNOVATIVE SOLUTIONS FOR DIVERSE INDUSTRIES

PRODUCT GROUP	APPLICATION	INDUSTRY SEGMENTS
Die Lubes	HPDC	AL Die Casting
Plunger Lubes	HPDC	AL Die Casting
Plunger Beads	HPDC	AL Die Casting
Granular Fluxes	HPDC, LPDC, GDC, Melting	AL Die Casting, AL Recycling, Conductor manufacturing, Metal Extrusions
Forging Lubes	Hot Forging, Warm Forging	Forging
Lubristick	GDC, LPDC Extrusion process	Metal Extrusion, AL Die Casting, Conductor manufacturing
Boron nitride coatings	Extrusion process	Metal Extrusion
Coatings	Extrusion process, LPDC, GDC, HPDC	AL Die Casting, AL Recycling, Conductor manufacturing, Metal Extrusion
Master Alloys	Extrusion process, LPDC, GDC, HPDC, melting	AL Die Casting, AL Recycling, Conductor manufacturing, Metal Extrusion
Fused Fluxes	Extrusion, Smelting, Melting	Secondary AL smelters, Metal Extrusion
Magnesium Removers	Melting, Extrusion process	AL Recycling, Metal Extrusion, Secondary AL Smelters
Calcium Removers	Melting, Extrusion process	AL Recycling, Metal Extrusion, Secondary AL Smelters
Degassing Tablets	Extrusion process, GDC , LPDC , Metal recycling	AL Die Casting, Metal Extrusion, Conductor manufacturing, Secondary AL Smelters

DELIVERING HIGH-PERFORMANCE TIME AND AGAIN!

Lubrikote has more than 40 years of excellence in developing customized new technology specialty chemicals, releasants, lubricants and coatings for varied industry segments and applications. With our fully equipped innovative and agile R&D Centre, we provide you with the right solutions.

CORE VALUES

- ◆ Impeccable Product Performance
- ◆ Best Value
- ◆ Quick Services & Timely delivery
- ◆ Commitment, Reliability & Trust

GLOBAL PRESENCE

📍 Silvassa, India - Manufacturing

📍 Mumbai - Registered office
